

Important acquisition for Scm Group: Tecno Logica is joining the group

Strategic closing with a view to enhancing the offer in the field of industrial systems with high innovation, productivity and flexibility.

Rimini, 27 June 2024 - Scm Group, a leading multinational in technologies for machining a wide range of materials, today signed an agreement with Tecno Logica to take over control of its share capital.

This is a strategic operation which expands the range of products and services offered by the group from Rimini with integrated modular and scalable systems, for large **automotive, furniture** and **door** production manufacturers.

Tecno Logica is based in Treviso and is one of the main manufacturers of highly productive and flexible systems for a wide range of industrial processes, with over 200 installations in Europe, the Middle East, Mexico and the USA and has a turnover of more than 30 million Euro.

Marco Mancini, Scm Group's CEO points out that *"this buy-over further enhances our leadership in the aluminium, composite and wood machining sectors where we are already present with our Cms and Scm brands. Further options at the top end of the market open up with an opportunity to get ahead of new trends and innovate our offer even more strategically"*.

*"Becoming a part of a solid multinational organisation like Scm Group - adds **Mirko Piasentin**, CEO of Tecno Logica - will provide greater access to leading clients around the world thanks to the group's direct presence and capillary sales and assistance organisation"*.

Scm Group is a global leader in technologies for machining a wide range of materials and industrial components. Across the globe, the group's companies act as highly reliable partners to leading industries in a wide range of product sectors, from furniture to construction, automotive to aerospace, and yachting to plastic machining.

Scm Group coordinates, supports and develops a system of industrial excellence in 3 large highly specialised production centres in Italy, with a turnover of 900 million Euro, with 4,000 employees and a direct presence on all 5 continents.
